

WOMAN MADE ARTISTS' REGISTRY ON-LINE

Woman Made Gallery (WMG) offers a professional on-line artists' registry to promote and showcase art by women. This is an economical way for you to promote your art while participating in WMG's ever growing on line presence! You will be able to market your Woman Made Internet presence as if it were a "stand-alone" web site (with your virtual domain, www.yourname.womanmade.net) while taking advantage of our growing profile and the excellent on-line reputation that the WMG web site has developed.

The Basic Webpage includes from 5 to 15 digital images of your artwork (*plus a self-portrait or photo), biographical information and contact information. If a self-portrait or photo of self is not supplied one of your art images will be placed on your main page.

The Advanced Webpage includes up to 30 images of your artwork and all items described in the Basic Webpage. There is an additional fee for each slide above the basic 15 slides price.

Woman Made Gallery Membership (<http://www.womanmade.org/membership.html>) at any level is required but WMG will not take any commission if your art is sold through the WMG Artist Registry. WMG Staff will help you with all items that will make up your web site. WMG will actively promote the Artists' Registry on the Internet, in our newsletters, in press releases and in other publications.

Read the contract carefully and if you agree, please sign and return it together with the completed registration form, biographical information, photo or self-portrait (optional) and the number of slides of your work (for a total of up to 16 images for the basic web page, and up to 30 images for the advanced web page), a self-addressed stamped envelope and the signed contract and send it with your payment to Woman Made Gallery.

*We strongly advise to have one of your artwork images on your main page. Your site will look less commercial and invite more interest to view the remaining artworks.

If you have more than one direction, you can show this by submitting five slides of each, (example: 10 & 5 sculptures or 10 abstracts & a series of 5 landscapes.)
- Refer to sample webpage (<http://pamelacallahan.womanmade.net>) for information on artist's statement and other information.
- Remember to write your artist statement yourself and keep it short, simple and direct. List only your most important exhibitions under Select Exhibitions (<http://pamelacallahan.womanmade.net/#6>) and start with your most recent shows first. If you have not yet participated in exhibitions, just write an artist statement, presenting your objectives on why and how you do your art. You can even write about your technique if you think it will add interest to your webpage.
- Consider ordering our "Exhibiting Professionalism" (<http://womanmade.org/calspecial.html>) brochure to help you with various tasks. It also includes basic information on how to enter your work into galleries.
- A link to the WMG Exhibition (<http://www.womanmade.org/exhibitions.html>) opportunities page will be included in your webpage.
- Please email us at galleries@womanmade.org if you have any questions.
